MEMORANDUM FOR: ADMAG Members

25X1A

FROM :

SUBJECT : Special Meeting on NAPA Report

ADMag was requested by the DDCI to respond to the NAPA Report. The original deadline was 13 April and it appeared that formulating an ADMAG response would be impossible due to the time constraints. The DDCI has recently extended the deadline to 30 April. With this added time it is now possible to respond. I have attached a copy of the conclusions and recommendations from the report. I have tried to number significant conclusions and recommendations. On the attached evaluation sheets, I would appreciate if you could give your evaluation of the numbered recommendations from strongly disagree (-2) to strongly agree (+2), with zero (0) being neutral and "no" being "no opinion." I have also included some space for comments if you choose. Please feel free to write a narrative response or to add to the recommendation list that I have extracted from the Report.

At the 16 April meeting, the members agreed on holding a special meeting on the NAPA Report. The special meeting is scheduled as follows:

Special Meeting on NAPA Report  
24 April 1979 (Tuesday)  
Room 7D32, Headquarters  
Time - 1445 (Note: Different Time)

Please try and have your evaluation sheets completed in time for the meeting. (I apologize for the short deadline). At the meeting we will discuss the Report and your evaluations and how to meaningfully respond by 30 April. Thank you.
